Appeal from the United States
District Court for the
Eastern District of Arkansas.

[UNPUBLISHED]

Submitted: November 23, 1999

Filed: November 26, 1999

Before BOWMAN, FAGG, and MURPHY, Circuit Judges.

PER CURIAM.

Michael Anthony Gottson, Sr., appeals the District Court's¹ Federal Rule of Civil Procedure 12(b)(6) dismissal of his medical malpractice action. We deny Gottson's post-appeal motion to join additional defendants and add claims. See Spear v. Dayton's, 771 F.2d 1140, 1144 (8th Cir. 1985) (claims not presented to District Court need not be considered). After a de novo review of the record, we conclude dismissal was proper, and a comprehensive opinion in this diversity case would lack precedential value. We thus affirm the District Court's opinion without further discussion. See 8th Cir. R. 47B.

Attest:

CLERK, U.S. COURT OF APPEALS, EIGHTH CIRCUIT.

¹The Honorable William R. Wilson, Jr., United States District Judge for the Eastern District of Arkansas.
